Dear President Lv:

I am delighted to invite you to visit Pace University School of Law in August 2015. In accordance with your prior correspondence with Director of International Affairs and Graduate Programs, Gregory J. Marsden, your visit is scheduled to begin with arrival in New York on the afternoon of August 16th and to conclude on August 21, 2015.

We have prepared a detailed agenda for you, including visits to Pace University and Pace Law School, as well as the IUCN Mission to the United Nations and the Riverkeeper NGO. A copy of this agenda is attached. We understand that this is an ambitious schedule; please let us know if there is anything you would like to add, or if you feel that this will be too much to accomplish during the days you are here.

Please use this invitation letter for your visa application and travel clearances. It is our hope that we may discuss and explore a number of opportunities that could greatly benefit both of our institutions and students during this visit. Please do not hesitate to let me know if there is any assistance we may provide to make your visit to our campus possible.

On behalf of the whole Pace community, I look forward to welcoming you in August.

Sincerely,

David Yassky
Dean
