

Date: April 22, 2016

Dear Dr. Wenping Liu,
(Hubei University of Economics; Simon Fraser University)

The annual ICDCS (International Conference on Distributed Computing Systems) conference is a premier international forum for researchers, developers and users to present and discuss the cutting edge ideas on topics related to distributed systems. The conference provides a forum for engineers and scientists in academia, industry and government to present their latest research findings in major and emerging areas of distributed computing.

We invite you to participate the 36th IEEE International Conference on Distributed Computing Systems (ICDCS 2016) as an author of an accepted paper in ICDCS2016 where ICDCS2016 will be held in Nara from June 27 to June 30, 2016.

If you have any questions please contact us as blow.
